

Hello (Insert Grade Level) Parents!

My name is _____ (____ Child's Name____ mom) and I have volunteered to be homeroom parent this year for (Teacher's Name)_____.

There will be many activities throughout the school year and we can always use help via volunteering or monetary donations. At this time, I would like to ask for a free will donation to be used for these activities such as: _____(Teacher's Name)_____ birthday, Catholic Schools week, various parties (Halloween, Christmas, Valentine's) and end of the year teacher gifts. This money will NOT be used for Christmas gifts for the teachers as Home & School has something special planned this year (more to come on that later) to make your Christmas shopping easier. I have attached an envelope for your child to give to (insert your child's name) with your donation.

Our Halloween party is coming soon, so I will be looking for help with juice, napkins, treat, simple craft/fun game, or just being there.

I would love to keep in touch throughout the year via email. Please write your email address on your envelope so I know how to stay in touch. If you have any questions, please give me a call, text, or email.

Thanks for any and all help! I'm looking forward to a fantastic year!

(c) _____ texts welcome!
